

## Shatin to Central Link – Temporary Traffic Management Scheme on Lok Shan Road and Kiang Su Street (Effective from early July 2018)

To facilitate the works of SCL To Kwa Wan Station, reinstatement of underground utilities on Lok Shan Road has been completed. The carriageway of the section between Maidstone Road and Ma Tau Wai Road will be reopened. Meanwhile, the section of Kiang Su Street between Maidstone Road and Ma Tau Wai Road will be temporarily closed from early July 2018 to January 2019 to facilitate reinstatement of water mains and other underground utilities, as well as permanent road reinstatement. During the course of works, current arrangement of footpaths and pedestrian crossings will be maintained. Please refer to the map below for details.

Please rest assured that the Corporation will closely monitor the works and take necessary precautionary measures to minimise disturbance to the community.
